RIN! HARU!
DINNER'S ALMOST...

Rin

Kitten who fell for Haruka at first sight. Wanted to be with Haruka so much, he begged to be allowed to move in with Makoto. Used to live with Sousuke.

Haruka

Loves water, mackerel, and--secretly--Rin. Has been living together with Makoto since he was born. A little scared of Sousuke.

Sousuke

Rin's former owner. Pretty lonely ever since Rin moved away. Acquaintainces with Makoto.

Makoto

Rin and Haruka's owner. Seems like a student of some sort. Not a very good cook, though.
